TITLE 3—THE PRESIDENT PROCLAMATION 2764

CARRYING OUT EXCLUSIVE TRADE AGREEMENT WITH CUBA OF OCTOBER 30, 1947

BY THE PRESIDENT OF THE UNITED STATES
OF AMERICA
A PROCLAMATION

WHEREAS (1) section 350 (a) and (b) of the Tariff Act of 1930, as amended by section 1 of the act of June 12, 1934 entitled "AN ACT To amend the Tariff Act of 1930", by the Joint Resolution approved June 7, 1943, and by section 2 of the Act of July 5, 1945, provides as follows:

SEC. 350. (a) For the purpose of expanding foreign markets for the products of the United States (as a means of assisting in the present emergency in restoring the American standard of living, in overcoming domestic unemployment and the present economic depression, in increasing the purchasing power of the American public, and in establishing and maintaining a better relationship among various branches of American agriculture, industry, mining, and commerce) by regulating the admission of foreign goods into the United States in accordance with the characteristics and needs of various branches of American production so that foreign markets will be made available to those branches of American production which require and are capable of developing such outlets by affording corresponding market opportunities for foreign products in the United States, the President, whenever he finds as a fact that any existing duties or other import restrictions of the United States or any foreign country are unduly burdening and restricting the foreign trade of the United States and that the purpose above declared will be promoted by the means hereinafter specified, is authorized from time to time—

(1) To enter into foreign trade agreements with foreign governments or instrumentalities thereof; and

(2) To proclaim such modifications of existing duties and other import restrictions, or such additional import restrictions, or such continuance, and for such minimum periods, of existing customs or excise treatment of any article covered by foreign trade agreements, as are required or appropriate to carry out any foreign trade agreement that the President has entered into hereunder. No proclamation shall be made increasing or decreasing by more than 50 per centum any rate of duty, however established, existing on January 1, 1945 (even though temporarily suspended by act of Congress), or transferring any article between the dutiable and free lists. The proclaimed duties and other import restrictions shall apply to

articles the growth, produce, or manufacture of all foreign countries, whether imported directly, or indirectly: *Provided*, That the President may suspend the application to articles the growth, produce, or manufacture of any country because of its discriminatory treatment of American commerce or because of other acts (including the operations of international cartels) or policies which in his opinion tend to defeat the purposes set forth in this section; and the proclaimed duties and other import restrictions shall be in effect from and after such time as is specified in the proclamation. The President may at any time terminate any such proclamation in whole or in part.

(b) Nothing in this section shall be construed to prevent the application, with respect to rates of duty established under this section pursuant to agreements with countries other than Cuba, of the provisions of the treaty of commercial reciprocity concluded between the United States and the Republic of Cuba on December 11, 1902, or to preclude giving effect to an exclusive agreement with Cuba concluded under this section, modifying the existing preferential customs treatment of any article the growth, produce, or manufacture of Cuba; *Provided*, That the duties on such an article shall in no case be increased or decreased by more than 50 per centum of the duties, however established existing on January 1, 1945 (even though temporarily suspended by act of Congress), (48 Stat. 943 and 944, ch. 474, 57 Stat. 125, ch. 118, 59 Stat. 410 and 411, ch. 269; 19 U. S. C. (1940) 1351 (a), 19 U. S. C. (1940) Supp. V, 1351 (a) (2) and (b).);

WHEREAS (2) the period within which the President is authorized to enter into trade agreements under the said section 350 was extended by section 1 of the Act of July 5, 1945 until the expiration of three years from June 12, 1945 (48 Stat. 944, ch. 474, 59 Stat. 410, ch. 269; 19 U. S. C. (1940) Supp. V, 1352 (c).);

WHEREAS (3) I, Harry S. Truman, President of the United States of America, have found as a fact that certain existing duties and other import restrictions of the United States of America and the Republic of Cuba are unduly burdening and restricting the foreign trade of the United States of America and that the purpose declared in said section 350 (a) of the Tariff Act of 1930, as amended, will be promoted by a trade agreement between the Government of the United States of America and the Government of the Republic of Cuba;

WHEREAS (4) reasonable public notice of the intention to negotiate such trade agreement was given and the views pre-

TITLE 7—AGRICULTURE

Chapter IX—Production and Marketing Administration (Marketing Agreements and Orders)

[Lemon Reg. 255]

PART 953—LEMONS GROWN IN CALIFORNIA AND ARIZONA

LIMITATION OF SHIPMENTS

§ 953.362 *Lemon Regulation 255—(a) Findings.* (1) Pursuant to the marketing agreement and Order No. 53 (7 CFR, Cum. Supp., 953.1 et seq.), regulating the handling of lemons grown in the State of California or in the State of Arizona, effective under the applicable provisions of the Agricultural Marketing Agreement

RULES AND REGULATIONS

Act of 1937, as amended, and upon the basis of the recommendation and information submitted by the Lemon Administrative Committee, established under the said marketing agreement and order, and upon other available information, it is hereby found that the limitation of the quantity of such lemons which may be handled, as hereinafter provided, will tend to effectuate the declared policy of the act.

(2) It is hereby further found that compliance with the preliminary notice and public rule making procedure requirements and the 30-day effective date requirement of the Administrative Procedure Act (Pub. Law 404, 79th Cong., 2d Sess.; 60 Stat. 237) is impracticable and contrary to the public interest in that the time intervening between the date when information upon which this section is based became available and the time when this section must become effective in order to effectuate the declared policy of the Agricultural Marketing Agreement Act of 1937, as amended, is insufficient for such compliance, and a reasonable time is permitted, under the circumstances, for preparation for such effective date.

(b) Order. (1) The quantity of lemons grown in the State of California or in the State of Arizona which may be handled during the period beginning at 12:01 a. m., P. s. t., January 4, 1948, and ending at 12:01 a. m., P. s. t., January 11, 1948, is hereby fixed at 200 carloads, or an equivalent quantity.

(2) The prorate base of each handler who has made application therefor, as provided in the said marketing agreement and order, is hereby fixed in accordance with the prorate base schedule which is attached hereto and made a part hereof by this reference.

(3) As used in this section, "handler," "handler," "carloads," and "prorate base" shall have the same meaning as is given to each such term in the said marketing agreement and order. (48 Stat. 31, as amended; 7 U. S. C. 601 et seq.)

PART 966—ORANGES GROWN IN CALIFORNIA AND ARIZONA

LIMITATION OF SHIPMENTS

Findings. (1) Pursuant to the provisions of Order No. 66 (7 CFR, Cum. Supp., 966.1 et seq.) regulating the handling of oranges grown in the State of California or in the State of Arizona, effective under the applicable provisions of the Agricultural Marketing Agreement Act of 1937, as amended, and upon the basis of the recommendation and information submitted by the Orange Administrative Committee, established under the said order, and upon other available information, it is hereby found that the limitation of the quantity of such oranges which may be handled, as hereinafter provided, will tend to effectuate the declared policy of the act.

(2) It is hereby further found that compliance with the preliminary notice and public rule-making procedure requirements of the Administrative Procedure Act (Pub. Law 404, 79th Cong., 2d Sess., 60 Stat. 237) is impracticable and contrary to the public interest in that the time intervening between the date when information upon which this amended regulation is based became available and the time when this amended regulation must become effective in order to effectuate the declared policy of the Agricultural Marketing Agreement Act of 1937, as amended, is insufficient for such compliance.

Order as amended. The provisions in paragraph (b) (1) (ii) of § 966.356 (Orange Regulation 210, 12 F. R. 8806) are hereby amended to read as follows:

(ii) Oranges other than Valencia oranges. (a) Prorate District No. 1, 700 carloads; (b) Prorate District No. 2, 200 carloads; and (c) Prorate District No. 3, 35 carloads.

OF CONTROL¹**

The Commission hereby gives notice that on December 19, 1947 there was filed with it an application (BTC-601) for its consent under section 310 (b) of the Communications Act to the proposed transfer of control of Harris County Broadcast Company, licensee of Station KXYZ, Houston, Texas from M. Tilford Jones, Audrey Jones Beck, Reese H. Reinacker, William F. Bennett, Earl R. Scholton, Gerald R. Chinski and W. W. Moore to Shamrock Broadcasting Company, Houston, Texas. The proposal to transfer control arises out of a contract of October 27, 1947 pursuant to which the selling stockholders agreed to sell to purchaser all their stock interests, in and to the licensee, constituting 1,000 shares of the \$1 par value common voting stock for a total consideration of \$875,000 to be paid in cash. In addition thereto purchaser will pay dollar for dollar for all "quick assets" defined by the contract. Upon execution of the agreement a \$100,000 demand note was deposited in escrow by purchaser with the National Bank of Commerce of Houston, Texas (to be guaranteed by Glenn H. McCarthy, official and majority stockholder of purchaser) payable to the majority selling stockholder, M. Tilford Jones. If the contract is effectuated the note is to be returned to purchaser and is to be used as liquidated damages in case of breach of the contract. Under the agreement Jones is to deposit in escrow with the same bank his promissory note in the same amount for the purpose of guaranteeing payment in full of taxes and other liabilities against the company. Further information as to the arrangements may be found with the application and associated papers which are on file at the offices of the Commission in Washington, D. C.

INTERSTATE POWER CO. AND OGDEN CORP.

ORDER APPROVING ALTERNATE PLAN

At a regular session of the Securities and Exchange Commission held at its office in the city of Philadelphia, Pa., on the 24th day of December A. D. 1947.

The Commission, on January 24, 1947, having entered an order (Holding Company Act Release No. 7159) approving, pursuant to section 11 (e) of the Public Utility Holding Company Act of 1935 ("act"), a plan ("original plan") for the reorganization of Interstate Power Company ("Interstate"), a registered holding company and a subsidiary of Ogden Corporation ("Ogden"), also a registered holding company; and on April 24, 1947, the District Court of the United States for the District of Delaware having entered an order (modified by subsequent order of said Court dated November 14, 1947) approving and enforcing the original plan subject to the terms and conditions of the Commission's order of January 24, 1947; said plan providing, among other things, for the issuance and sale of new first mortgage bonds and new common stock; Interstate having invited competitive bids in respect of the proposed sale of said new bonds and common stock, and the Commission, on September 25, 1947, having entered an order (Holding Company Act Release No. 7739) and an opinion (Holding Company Act Release No. 7758) denying effectiveness to the declaration of Interstate in respect of the proposed issuance and sale of said new securities on the basis of the Commission's conclusion that "the issuance and sale of Interstate's new common stock at the price proposed to be paid to Interstate by the successful bidders would not effectuate a plan which would be fair and equitable to the persons affected thereby"; and

Interstate having on October 29, 1947, filed an alternate plan, pursuant to section 11 (e) of the act, such alternate plan providing, in general, for a reorganization of Interstate whereby there will be initially outstanding \$20,000,000 principal amount of new first mortgage

bonds, \$5,000,000 principal amount of new Debentures, 1,500,000 shares of new common stock of the par value of \$3.50 per share, and a minimum of \$1,000,000 principal amount of short term promissory notes; for raising working capital by Interstate; for the preservation of the relative rights of its security holders pending the resolution of issues relating to the rank and status of Ogden's present holdings in Interstate for sale of new first mortgage bonds, new Debentures and a portion of the shares of new common stock; for cancellation of the outstanding common stock and payment of the outstanding first mortgage bonds at principal amount thereof; and the deposit in escrow (for the benefit of holders of Interstate's securities junior to the outstanding first mortgage bonds) of the shares of the new common stock not sold to realize cash for the payment of the outstanding first mortgage bonds and for working capital; and

Said alternate plan having been filed for the stated purpose of complying with the provisions of section 11 (b) of the act and with the Commission's order dated May 20, 1943, directed to Ogden and its subsidiary companies requiring, among other things, that Interstate be recapitalized so as fairly and equitably to distribute voting power among its security holders; and

Said filing including applications and declarations relating to the issuance, sale, acquisition, redemption, and retirement of securities as provided for in said alternate plan, and an application for exemption of the proposed sales of securities from the competitive bidding requirements of Rule U-50; and

Interstate having requested authority in conjunction with said alternate plan, but not as a part thereof, to issue and sell on or before April 15, 1948, to two banks, an aggregate of \$2,400,000 principal amount of collateral promissory notes, maturing December 31, 1948, bearing interest at the rate of 3% per annum and, in connection therewith, to issue an equal principal amount of its new first mortgage bonds to be pledged as security for said notes, \$1,000,000 of the proceeds of said issuance and sale of notes to be used by Interstate to retire and discharge an equal principal amount of its collateral promissory notes due April 15, 1948 and \$1,400,000 of said proceeds to be used for new construction; and

Interstate having also requested authority, in the event that said alternate plan is not consummated on or before April 15, 1948, to issue and sell \$3,000,000 or \$4,400,000 principal amount of collateral promissory notes maturing December 31, 1948, the amount depending upon whether the original plan, or no reorganization of Interstate, shall have been consummated on or before April 15, 1948; and

A public hearing having been held after appropriate notice, and the Commission having considered the record and having made and filed its supplemental findings and opinion herein; and

Interstate having requested that the Commission's order herein conform to the requirements specified in Supplement R and section 1808 (f) of the Internal Revenue Code, as amended; and

Interstate having requested the Commission, pursuant to section 11 (e) of the act, to apply to an appropriate District Court of the United States to enforce and carry out the terms and provisions of said alternate plan;

It is found, in accordance with the findings and opinion herein, that said alternate plan is necessary to effectuate the provisions of section 11 (e) of the act and fair and equitable to the persons affected thereby;

It is ordered, Pursuant to section 11 (e) and the other applicable provisions of the act, that the said alternate plan be, and it hereby is, approved, and that the applications and declarations relating thereto be granted and permitted to become effective, subject to the conditions specified in Rule U-24 and to the following additional terms and conditions:

(1) That this order shall not be operative to authorize the consummation of the proposed transactions until an appropriate District Court of the United States, upon application thereto, shall have entered an order enforcing said alternate plan.

(2) That Interstate Power Company shall cause to be mailed a copy of the supplemental findings and opinion herein to its known security holders on or before December 30, 1947.

(3) That jurisdiction is generally reserved to the Commission to entertain such further proceedings, to make such supplemental findings and to take such further action as it may deem appropriate in connection with said alternate plan, the transactions incident thereto, and the consummation thereof, and to take such further action as it may deem necessary or appropriate to effectuate the provisions of section 11 (b) of the act; and that jurisdiction is specifically reserved to consider and determine the following matters:

(a) The reasonableness, and appropriate allocation, of all fees, expenses, and other remuneration incurred and to be incurred in connection with said alternate plan and the transactions incident thereto;

(b) The prices and spreads pertaining to the proposed sale of new first mortgage bonds, new debentures, and shares of new common stock, and the terms of the indenture securing the new debentures;

(c) Such application, if any, as Interstate may file for leave to withdraw the alternate plan and to consummate the original plan;

(d) The application of Interstate requesting authority to issue and sell \$3,000,000 principal amount of collateral promissory notes in the event that the original plan is consummated in lieu of the alternate plan, or \$4,400,000 principal amount of collateral promissory notes in the event that Interstate is not reorganized on or before April 15, 1948;

(e) The issues raised concerning the rank and status of the securities of Interstate held by Ogden;

(f) The amount of Ogden's liability, if any, under the Contingent liability agreement proposed in said alternate plan, and in respect of interest payments heretofore received by Ogden from Interstate and not escrowed;

(g) The fair and equitable disposition of the assets heretofore escrowed under Escrow No. 1 and to be escrowed under Escrow No. 2 proposed in said alternate plan; and

(h) Such supplemental plans as may be filed pursuant to section 11 (d) and (e) of the act.

It is further ordered, That the application of Interstate regarding the proposed issuance and sale, on or before April 15, 1948, of \$2,400,000 principal amount of collateral promissory notes, maturing December 31, 1948, and bearing interest at the rate of 3% per annum, be, and the same hereby is, granted: *Provided, however*, That this order in respect of said issuance and sale shall become inoperative and of no effect in the event said alternate plan is not consummated.

It is further ordered and recited, That the steps and transactions involved in the consummation of said alternate plan and recited in paragraphs (1) through (8) set forth below, are necessary and appropriate to effectuate the provisions of section 11 (b) of the act and are necessary or appropriate to the integration or simplification of the holding company system of which Interstate Power Company and Ogden Corporation are members, and are hereby authorized, approved and directed subject to the conditions stated hereinabove; such steps and transactions being specified and itemized as follows:

(1) The issuance and sale of \$20,000,000 of first mortgage bonds ---% due 1978 of Interstate Power Company to the underwriters or persons who will become purchasers of the same;

(2) The issuance and sale of \$5,000,000 of Debentures ----% due 1968 of Interstate Power Company to the underwriters or persons who will become purchasers of the same;

(3) The issuance of so many shares, not exceeding 1,500,000 shares, of new common stock of Interstate Power Company as may be required to provide Interstate Power Company with \$3,635,500 (or if said amount of \$3,635,500 shall not be exactly divisible by the net price per share, then the next greater amount that shall be so exactly divisible);

(4) The application by Interstate Power Company of the proceeds of the sale of the new first mortgage bonds, the new Debentures and the new common stock toward the retirement of the first mortgage gold bonds, 5% series due 1957 of Interstate Power Company;
